Lane closure in Wailua on Kūhiō Highway set for April 23 to 25

WAILUA – The public is advised that the outermost northbound lane of Kūhiō Highway in Wailua at the northern end of the Leho Drive intersection will be closed from 11 p.m. to 5 a.m. beginning Tuesday evening, April 23, and ending Thursday morning, April 25, weather permitting.

The closure is necessary to allow the Wastewater Management Division to perform maintenance work on the sewer system in the area.

Two-way traffic will be maintained. Northbound traffic on Kūhiō Highway will be reduced to one lane. Motorists should drive with caution, expect delays, and adjust their travel times as needed.

Anyone with questions may contact Jason Kagimoto with the Department of Public Works at 808-241-4083 or via email at jkagimoto@kauai.gov.
